

Camp Cherith *of Western New York*

Work Weekends! May 7-9, 12-16, 21-23

(or during the week if you're available!)

Come when you can...an afternoon, a day, a weekend!

We will feed you, house you and provide wonderful fellowship as you join others to get camp ready for the summer ministry season. We can use your help to:

- Work in the 'White House'
- Clean buildings and grounds
- Do general repairs and improvements

Moms, dads and teens can work while children are under the supervision of camp staff members. Children will play some (games, hiking, naps, coloring, and other kid-friendly activities) and work some (deliver hot/cold drinks, cookies, snacks, jokes and songs, water new trees and plants.)

Could YOU help us with:

Carpentry, electrical, plumbing, painting, tree trimming, landscaping, general repairs, cleaning, hanging curtains, helping in the kitchen, watching children...

WE WILL PROVIDE:

Great meals, warm fellowship, **MATERIALS**, **campfires**, lodging, **CHILD CARE/SUPERVISION**, snacks, *encouragement*, and even **free time!**

Help us plan by registering: (last minute volunteers will be welcomed too!)
